

Dragon Boating 2010

I am looking to create a squad for the 2010 Dragon Boat season. In order that all students can participate in regular Wednesday sports, the training will be held at 4.00pm on Tuesday afternoons at the Bowling Club. No previous experience is necessary, only a commitment to work hard to get fit and to have a great deal of fun through the season.

The likely schedule of races for 2010 is shown below:

Jindabyne Flowing Festival	Jindabyne	13/14 February
Chinese New Year Festival	Darling Harbour	27 February
Canberra Festival	Canberra	13/14 March
State Championships	Penrith	28 March
Australian Championships	Adelaide	22-25 April

We do receive some travel funding from the CAP program, which keeps the cost down, but there will be travel and accommodation costs, along with race entry fees and membership of DBNSW.

Training will start in a couple of weeks once the boats have been put back in the water.

If you would like to become involved in this program, please complete and return the permission slip below.
