- be a passenger to and/or from SMGS or SMGS-sponsored events with the student driver/s named below;

2. \_\_\_\_\_
3. \_\_\_\_\_

I recognise that while the school's duty of care ceases when my child is off campus, the expected boundaries of behaviour stated in the SMGS Student Code of Conduct remain in place until he/she returns home.

This consent is not given under any pressure or duress.

I understand that if the SMGS changes the enrolment status of my child, driving privileges on campus may be temporarily or permanently revoked.

I reserve the right to revoke this consent and will inform the school in this instance.

I am willing to act as a referee for my child's application to be an approved passenger.

### Student Understanding:

My enrolment status is linked to the conditions of being a student passenger.

I must sign in/out on every occasion I leave the school during the day.

I understand that I will be excluded from class if I arrive after the start of a lesson, without the required permission.

I understand that at all times while I am in SMGS uniform I am accountable to the school for my behaviour as stated in the SMGS Student Code of Conduct.

I understand that I am not permitted to attend any licensed premises, even if 18 years old or over, during school hours or whilst wearing SMGS uniform.

My signature below indicates that I understand each of the statements above.
