

# Year 12 2023 Approved Student Driver Application Form

All SMGS students in possession of a valid driver's licence must notify the school where the student:

- intends to drive to/from the school on some/all school days, including SMGS-sponsored events;
- intends to park/drive on school grounds or on surrounding roads at any time whilst on campus.

### Parent/Guardian Consent

I give my consent for my son/daughter: \_\_\_\_\_ (student name) to:

- drive to and/or from school;
- drive during the school day during non-scheduled class time;
- carry the passenger/s named below (subject to their parental and school approval):

1. \_\_\_\_\_ 2. \_\_\_\_\_  
3. \_\_\_\_\_

I recognise that while the school's duty of care ceases when my child is off campus, the expected boundaries of behaviour stated in the SMGS Student Code of Conduct remain in place until he/she returns home.  
This consent is not given under any pressure or duress.

I understand that if SMGS changes the enrolment status of my child, driving privileges on campus may be temporarily or permanently revoked.

I reserve the right to revoke this consent and will inform the school in this instance and understand that the school may do the same at its own discretion.

I am willing to act as a referee for my child's driving capabilities and have discussed their responsibility to drive in a safe and considerate manner at all times.

### Student Acknowledgement

In addition to the above, I understand that:

- my enrolment status is linked to the conditions of being a student driver
- I must sign in/out from the front office on every occasion I leave the school during the day
- I will be excluded from class if I arrive after the start of a lesson, without the required permission, and that this may affect my enrolment and/or driver permission status where patterns of lateness occur
- at all times while I am in SMGS uniform I am accountable to the school for my behaviour, including as a driver, as stated in the SMGS Student Code of Conduct
- I am not permitted to attend any licensed premises, even if 18 years old or over, during school hours or whilst wearing SMGS uniform
- if driving, I am not permitted under any circumstances to carry student passengers who do not have school and parental approval to travel with me.

I have supplied the school with a photocopy of my valid driver's licence and below are my registration details:

Registration Number(s): \_\_\_\_\_

Car Make/Model(s): \_\_\_\_\_

My signature below indicates that I understand each of the statements above.
