1 Introduction

Snowy Mountains Grammar School expects parents and/or carers of our students to adhere to our aims and policies, and therefore do their best to ensure their child conforms to them.

Standards of appearance and wearing SMGS uniform form part of our school rules.

As part of their commitment to our school community we expect our students wear the uniform with pride and maintain high standards regarding wearing the correct school uniform. Our school uniform is outward sign of our student's self-discipline, which then is respected in the wider community.

2 Uniform

Given our unique location, with its rapid and often unpredictable weather changes during all four seasons, SMGS permits students to wear the full school uniform that is appropriate for the weather throughout the year. The SMGS uniforms are not interchangeable (e.g. no mix and match of formal uniforms and/or sportswear).

Students may wear their snow sports jacket over their full school uniform when required in cold/wet weather.
